

High Park School Provider Access and Careers Policy

Under Section 42B of the Education Act 1997, as of 2 January 2018, we have a duty to provide pupils in years 8-13 with access to providers of post-14, post-16 and post-18 education and training. This policy statement sets out how we manage access requests from these providers.

What are pupils entitled to?

Pupils must be allowed to:

- Learn more about technical education qualifications and apprenticeship opportunities, as part of a careers programme which informs pupils of the full range of education and training options available to them at each transition point.
- Hear from a range of local providers about the opportunities on offer, for example, technical education and apprenticeships – this can be achieved through options evenings, assemblies, group discussions, and taster events.
- Understand how to apply to the full range of academic and technical courses available to them.

Who handles our access requests?

Any provider wishing to request access should contact our careers leader, **Sarah Tollemache** on **01274 614092** or via email on: sarah.tollemache@highparkschool.org.uk.

Review

This policy was updated January 2022 and will be reviewed biannually, the next review will take place on 2024.

Who should providers contact to discuss events and options?

Providers can speak to our careers leader, Sarah Tollemache, to discuss possible attendance at relevant events.

Our Child Protection and Safeguarding Policy sets out the school's approach to allowing providers into school to speak to our pupils.

What are the rules for granting and refusing pupils access requests?

We will grant access requests that meet the following criteria:

- High Park School has been identified through SEN
- High Park School can meet the needs of the pupil

We will refuse any access request that:

- High Park School would not meet the academic needs of the pupil

What can providers expect once a request has been accepted?

Once we have approved a provider, we will work with them to identify the best method for providing access to our pupils.

We will make the school hall, classrooms and private meeting rooms available to host discussions between providers and pupils. We will also make presentation equipment, such as projectors and televisions, available to providers.

Arrangements will be discussed in advance between our careers leader and a nominated member of the provider's team.

Can providers leave prospectuses for pupils to read?

Providers are welcome to leave a copy of their prospectus and other relevant literature with Sarah Tollemache.

Safeguarding

Our Child Protection and Safeguarding policy outlines the school's procedure for checking the identity and suitability of visitors.

Education and training providers will be expected to adhere to this policy.
